MEMORANDUM

Date: January 13, 2025
To: Mayor and Town Board
From: Scott Pearson, Civil Engineer III
Re: Roadway Safety Action Plan (VZ) Updates - S. Pearson, Transportation Engineer
Item #: 2.

Background / Discussion:
Since July 2022, Town staff has been working on developing a Roadway Safety Program that is data driven. We have analyzed crash history for the past ten years and have identified locations that are high crash locations which have opportunities for safety improvements. The analysis is being used to develop Windsor's Safety Action Plan using federal SS4A funds. The Federal program requires a commitment to Vision Zero's goal of reducing the frequency and severity of roadway crashes, plan development, implementation, and monitoring. The Town's commitment to this goal aligns with federal safe streets and roadways for all (SS4A) program requirements and will make the Town of Windsor eligible for future safety implementation funds.
